Dear Mr. Green:

On July 26, 2010, the Division Director approved the Reclamation Contract for the Transfer of Notice of Intention (NOI) for the ITM from Lexco Inc. to Lexco Holding LLC. You are now solely responsible to conduct mining and reclamation operations as outlined in the approved Notice of Intention. Lexco Inc. is hereby released from any further reclamation liability under this permit.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form (MR-REV (SMO/EXP) located on the Division's website [www.ogm.utah.gov/minerals](http://www.ogm.utah.gov/minerals). You may not implement these changes until you receive Division approval of the amended/revised NOI. Please find enclosed a copy of the Reclamation Contract and the approved changes to the NOI.

Thank you for patience in completing this permit transfer. Please refer to file S/047/0035 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257.

Sincerely,
